

THE DIRECTOR OF  
CENTRAL INTELLIGENCE

National Intelligence Council

11 January 1983

Mr. Walt Raymond  
Senior Staff Officer  
National Security Council  
Room 300, Old EOB

Dear Walt:

tells me that you asked him about my testimony before the Joint Economic Committee which Proxmire released with a very biased press release. What I said is in the attached testimony. There is also a copy of the memo I sent to the Director on the subject.
